Assembly

There are 15 pieced and 15 appliqué blocks in Pumpkin Pie. The blocks measure 10 1/2" unfinished.

Pieced Block

1. Sew strip sets:
   Sew 2" cream strip and 2" green flower toss strips together lengthwise. Cut into (15) 2" segments.

Appliqué Block

2. Sew 2" cream strip and 2" purple flower swirl strips together lengthwise. Cut into (15) 2" segments.

Layout all the pieces for a block. This will help you see how the block is pieced. Match triangle fabrics with corresponding 2" x 6 1/2" rectangle fabrics.

Note: Please read instructions before beginning. wof=width of fabric.
QST = quarter square triangle. Seam allowances are 1/4". Press in the direction of the arrows. When piecing strips together end to end, first trim selvedges.
3. Stitch a 2" x 6 1/2" squash/gold rectangle to the purple square of a unit from step one.

4. Stitch a 2" x 6 1/2" squash/gold rectangle to the green square of a unit from step one.

5. Stitch a red 2" x 6 1/2" rectangle to one side of a 9 1/8" squash/gold QST. Make two.

6. Stitch to the units from steps 3 & 4.

7. Add a 9 1/8" red QST as shown.

8. Sew two sections together to complete the block. Trim rectangles and square block to 10 1/2".

Appliqué Blocks - 10 1/2" unfinished

Use your preferred method for appliqué:
From assorted reds, greens & purples, prepare 15 flowers, 15 large center circles and 15 small center circles for the appliqué blocks. Arrange the flowers on the 10 1/2" tan background squares. Stitch around the flowers and centers with a blanket stitch or stitch of your choice. Make 15 blocks.
